The 1st TSC is a two-star Army command based at Fort Knox, Ky., with a forward command post at Camp Arifjan, Kuwait. Made up of nearly 10,000 military, civilian, and contractor personnel, the 1st TSC ensures warfighters have the supplies and transportation capabilities they need to accomplish their missions. A global sustainment provider, the 1st TSC supplies food, fuel, water, transportation, ammunition, building materials, and repair parts. Additionally, the 1st TSC manages the ports, flights, and customs points needed to keep people and equipment moving 24 hours a day, seven days a week.

The 1st TSC also provides adjunct support in the areas of financial management, human resources, humanitarian aid distribution, host-nation engagements, and medical care for troops and civilians within the command. Soldiers with the 1st TSC are in the fight every day, moving what is needed throughout the 20 countries in U.S. Central Command's area of responsibility - spanning over six million square miles.

1st TSC is postured to support unified land operations throughout CENTCOM's AOR, by tailoring sustainment structure and engaging U.S. Army Central partner nations to support future operations.

Mission Statement: The 1st Theater Sustainment Command provides mission command and operational-level sustainment support to Army, Joint, Interagency, and Multinational Forces; sets the theater; and conducts theater security cooperation within the U.S. Central Command area of responsibility in order to enable unified land operations in support of Combatant Commander directives.
